Restek *Essentials* is our monthly circular featuring special offers on new and improved chromatography products. Learn what's new and get deals on GC and LC columns and accessories, sample prep supplies, reference standards, air sampling products, and more!

#### In this issue:

**Take a Break on Us With a FREE Keurig® Brewer**  
A USLC™ toolbox makes column selection so fast and easy you'll have time for coffee breaks again. Order now and we'll even include the brewer.

**Save 25% on Restek BAC Columns & Standards**  
New Rtx®-BAC Plus 1 and Plus 2 columns separate all critical compounds to baseline in less than 2 minutes! Try today and save.

**Easily Meet 2nd Source Gas Standard Requirements**  
Each of our gas standards is made independently by two different manufacturers. Buy from two sources with one convenient order!

**Get Top-Notch Training From Restek**  
We offer solutions to fit every level of expertise, budget, schedule, and analytical topic. Attend a seminar in a city near you!
